

### All-glass syringes

The reusable borosilicate glass syringes are superior chemical and heat shock resistant. Precision-machined plunger and barrel provide for excellent fitting and tightness.

**Dosys™ all glass**

155

- Permanent, high visibility graduations for accurate distribution up to 50 mL
- Autoclavable at 121° C.

#### ► Choice of nozzles

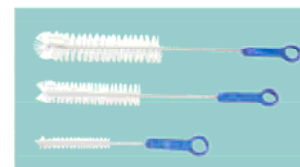

All glass syringes have Luer or Luer Lock fitting at choice.
